Lower in alcohol, but amped up with full-flavoured hoppy goodness, an enticing tropical aroma and balancing bitterness.

### **Sea Legs – Zamba IPL - 5.8%**

Second hop off the rank, Zamba out of the US. While a not-so-mainstream hop, Zamba is a great all-rounder on the dry hop front. We've chosen to brew an India Pale Lager with a generous dry hop, accentuating a super clean stonefruit & tangerine hop character.

### **Ballistic Beer – Mexican Hot Chocolate – 6.7%**

This Milk Stout is brewed with cocoa nibs, lactose, chilli and spices. It's dark and dangerously drinkable. Perfectly balanced and unexpectedly moreish. Dark and chocolatey, with a subtle tickle by the chill at the back of the mouth..

### **Slipstream Brewing – G-Force IPA - 6.5%**

Brace yourself for a change of speed—G-Force doesn't follow the same well-worn roads as other IPAs. You'll taste familiar flavours, but also find yourself intrigued. You won't come up against an explosion of tropical fruits, and you won't find a dank, resinous West Coast IPA. We took inspiration from the juicy IPAs of Vermont but didn't want to be limited by their style.

### **Ten Toes Brewing – Pipeline Pale Ale – 4.7%**

Freshly cut tropical fruits are balanced against a clean malt profile. This full flavoured pale ale is bursting with new world character.
